Working in the dynamic and rapidly growing aerospace industry can be challenging. You must manage emerging technologies, pressure to innovate, fierce global competition, numerous government regulations, and talent attraction and retention.

OAI provides an expansive network of industry connections, monthly member events and in-depth knowledge of aerospace and aviation to help you grow and succeed. On your own profile page within the OAI member network, you’ll be able to promote your organization’s unique expertise and capabilities. You will also have visibility and connection to all the other OAI members, giving you a competitive advantage in the ever-evolving aerospace industry.

“The Aerospace Corporation was pleased to join OAI as a member in 2017, viewing its OAI membership as a key element in its strategy to establish a presence ‘on the ground’ in Northeast Ohio, expand its portfolio of work in support of NASA Glenn, and build partnerships with Ohio research universities and aerospace industry”

— Vincent J. Bilardo Jr., Sr. Project Leader, Human Exploration & Space Flight, The Aerospace Corporation

“Although we are new members of OAI, we are already reaping the benefits of the opportunities we’ve had to connect with key contacts in the Ohio aerospace industry. We are excited to continue to engage with OAI in 2018 and look forward to accelerating business in Ohio.”

— Heather Best, Vice President, Sales and Marketing, Velocity Group
